

**By 2030, commercial building floor space
is expected to reach 109 billion sq. ft. -
a 51% increase over current levels.**

That's a lot of HVAC&R needs.

Whether it's billions of commercial building square footage, consumer products or residential systems, ASHRAE members are at the frontline in the global effort to make the world more efficient and a better place to live.

ASHRAE is committed to leading the industry with renewable practices and to continue that effort, we encourage you to renew your membership online. It saves time, money, paper and energy, all areas where being green makes a difference.

Your ASHRAE membership renewal package should have arrived. You can also easily renew online by visiting www.ashrae.org and clicking on the Renew Membership link.

Important Instructions:

You will need your e-mail address and password to log in. If you do not have them, please send an e-mail to loginquestions@ashrae.org.

Once you renew, a new member card and certificate will be mailed to you. And, if this is your first time renewing online, we'll send you a special ASHRAE hat for your commitment to being green and renewing online.

If you've already renewed your membership, please disregard this message.
