To celebrate ASHRAE Singapore Chapter 28th Annual Installation Dinner, Malaysia Chapter's President was invited to support and witness the installation of the new committee.

The event kicked off at 7:30 pm with ASHRAE's corporate video clip. The auspicious event was graced by the Guest of Honor Dr. Teo Ho Pin, Mayor of North West CDC. Dr Teo, in his message, recognizes ASHRAE Singapore Chapter contribution in Singapore's key national goals such as energy efficiency, sustainable development and climate change mitigation. The installation went on smoothly with Gadam Sivakumar handing the baton, in ASHRAE case, the hammer to new president Dr. S.C. Sekhar. Although ASHRAE is always opened for new volunteers, 2010-2011 BOG retained many familiar faces. One new volunteer is Mr Alkesh Solanki, Chairman, Student Activities.

After the formality, the event featured entertainment, contributed by Malaysia Chapter. Invited guests, Kuching Section Chairman, Alex Chai and Section Publication Committee, Bertram Duerr, supported by recording artist Jon Chong performed with their 3 piece acoustic guitar band. Other fun entertainment includes drinking competition, "human wheel of fortune", and lucky draw. Some of the major prizes includes split unit air conditioning unit and Apple's iPad.

This dinner is made possible through the effort of dinner organizing committee chaired by Mr Henry Yeo, the various corporate sponsors, and a few non ASHRAE member volunteers. Approximately 450 distinguished guests attended the annual dinner.

The dinner ended at 11:00pm, with lucky draws.
