

INTERNATIONAL CONFERENCE ON BUILT ENVIRONMENT AND SUSTAINABILITY: Decarbonization with Energy Efficiency

Connexion Conference & Event Centre, Bangsar South, Kuala Lumpur.

25 October 2024
8:30AM – 5:30PM

ABOUT OUR EVENT

The 1st International Conference on Built Environment and Sustainability (ICBE&S) will be held in conjunction with ASHRAE Malaysia Chapter's 39th Annual Dinner, at the same venue's conference room. ICBE&S conference will feature keynote speeches, technical sessions, and presentations on various topics related to the built environment, and latest updates on policy and legal framework governing large energy consumers. It will provide an opportune platform for professionals and academics to share, exchange views and discuss the latest advancements in the industry.

WHO SHOULD ATTEND

The joint conference welcomes engineers, architects, designers, researchers, academics, property developers, professionals, and practitioners involved in the wide range of disciplines associated with building design and building services engineering, as well as anyone interested in energy efficiency and conservation. The official language of the conference is English.

Registration Package

Registration Packages	International	Local
Participant	USD250	RM950

Note: Limited discount code worth RM740 is applicable to local building and industrial stakeholder participants via QR code provided hereof. Discount code courtesy of ERIA's conference sponsorship.
