Report:	ASHRAE Malaysia Chapter participated in the recent government agency open house hosted by SEDA Malaysia to engage with government representatives, learn about ongoing and upcoming initiatives, and provide input on policies relevant to our mission.

During the event, our representatives had a productive discussion with Ts. Steve Anthony Lojuntin, Director of Technical Development & Facilitation regarding collaboration between both parties e.g., opportunities, program alignment, regulatory concerns. The conversation concluded with mutual understanding and agreement on the following points:

1. Confirmation of MOU extension on technical program collaboration.
2. Plan and budget allocation of the program syllabus revision.
3. Agreement on the program teaching at outstation eg., Penang, JB, Sabah and Sarawak.
4. Advisory on efficient implementation of Chille Rebate NUR (Nikmat Untuk Rakyat) program.
